

Please ask...

We do have requests for big items such as
**Welding machines, Generators, Compressors
And Industrial sewing machines**

If you have any of these or similar items please do get
in touch and ask us if we can use them.

Sometimes people donate tools that are not suitable to send to Africa,
either due to their age or because they would not be used. We also have
some tools donated in such quantities that we cannot use all of them. On
these occasions we will attempt to sell the items to raise vital funds for our work.
